EDUCATION DEPARTMENT

Sir,

Subject: Colleges - Government Training College, Bangalore - Purchase of Laboratory equipment - Expenditure sanction of - Requested

---

The Principal, Government Training College, Bangalore while submitting an indent for the purchase of Laboratory equipment required for the Government Training College, Bangalore for the year 1953-54 had included certain items of equipment required for Audio Visual Education purposes also. As such articles are generally purchased from Audio Visual Education Fund the Principal was asked to submit a revised indent for the purchase of Laboratory equipment.

The Principal now reports that the amount under the Visual Fund is only Rs.202/- the strength of the college being very small and that therefore it is not possible to purchase costly equipments required for Audio Visual Education out of the fund. The Principal has however deleted such of the items which are of small value and which can be purchased from Audio Visual Fund. The Principal's letter and the revised indent are herewith enclosed for favour of perusal and return.

The total cost of the indent including the Audio Visual Education equipment (items 9 to 15 in the indent) comes to Rs.2,779/- In the circumstances explained by the Principal, I recommend that Government may kindly sanction an expenditure not exceeding Rs.2779/- during the current year under the head "37.Education - University (d) Government Professional colleges - c. Teachers' Colleges - Non (d) C.5 other charges - Laboratory charges".

The expenditure will be met from the current year's budget allotment.

Yours faithfully,

for Director of Public Instruction

S.D.28.9.

EDUCATION DEPARTMENT

Fin (Expt A)

The DPI's letter at pl cf and its enclosures at pp 3-7 cf may be perused

2/ In the past, proposals for the purchase

Audio-visual Equipments required for the Govt Training Colleges in the State have been consolidated ~~in~~ (E) and treated as Part II schemes. It is not clear why in the case of the Govt. Training College Mangalore, alone a proposals for purchase of some equipment has been sent up. HELA may be requested to verify whether the other Training Colleges in the State do not require any further equipments, and if so, why the Mangalore College only requires these items of equipments listed at X above. After receipt of the information from the DPI HELA may be requested to consider whether this is a fit case to go forward as a Part II scheme for 1954-55.

Govt Training College Mangalore was included in the proposals dated in Govt. (W) & (E) Pl. see below A 19/11/53

For the Govt. Training College, Mangalore audio-visual equipments was purchased for Rs. 1,750 in 1950-51 & for Rs. 1,850 in 1951-52. It is not absolutely indispensable to incur a further expenditure of Rs. 2,779 for the purchase of ~~further~~ additional equipments in the present financial context, though such equipment might be useful. It does not appear that such large expenditure is incurred every year in other Govt. Training Colleges. HELA may be requested to ask the D.P.I whether the purchase may not be deferred to next year for the above reasons. ~~Above~~ above. It is presumed that there is no Part II Scheme for next year for the same purpose for this or other colleges.

The Principal, Govt. Trg college, Nangalore, has prepared an indent pp 5-7 C/ for Rs. 2779/- for the purchase of laboratory equipments and Audio Visual Education equipments, required for the college. The D.P.I pp 17 C/ says, that the expenditure (of Rs 1590/- on the purchase of Audio Visual Equipment) is necessary and it should be incurred in the current year itself. The finance dept has accepted pp 3-4 ante the proposal but have suggested, that the file may be circulated to M(F+E). (the P.C. may modify the orders) for appl of the draft order on p-1 ante.

The draft order on p1 ante may be approved.
